

# DWEUD EICH DWEUD! HAVE YOUR SAY!

Rydym yn gwirio bod gwasanaethau llesiant ac iechyd meddwl yn darparu gwasanaethau hygrych mewn modd amserol i bobl ifanc fel chi sydd rhwng 11 ac 16 oed. Hoffem ddysgu mwy am eich profiadau a'r cymorth a oedd ar gael i chi, gan gynnwys os ydych chi wedi defnyddio **Gwasanaethau Iechyd Meddwl Plant a'r Glasoed (CAMHS)**.

We are checking that **wellbeing and mental health services** are providing timely and accessible services for young people like you who are aged 11-16.

We would like to learn more about your experiences and what support was made available to you, including if you have used **Child and Adolescent Mental Health Services (CAMHS)**.

Helpwch ni i ddeall beth sy'n cael ei wneud yn dda a beth y gellid ei wella drwy gwblhau ein harolwg byr.

Please help us to understand what is being done well and what could be done better by completing our short survey.
